MARTIAL MOTIVATION is designed for both adults and children to be more determined, focused and driven to achieve success. Some of the powerful topics covered in the Martial Motivation Workshop are:

- > How to develop a positive attitude towards life, work or school
- > The art of setting goals for success and happiness
- > The importance of optimism and positive thinking
- > How to develop unshakeable self confidence and mental toughness
- > How to harness your inner self discipline, determination and perseverance
- > Breaking through limiting beliefs
- > Success strategies of champion athletes and teams
- > Feel empowered by learning passive self defence techniques
- > Anti-bullying strategies and techniques
- > The dangers of drugs and alcohol
- > Release stress and build inner calm with tai chi and chi kung exercises
